

Sales Manager (m/f/d)

Full or part time

GIEBEL FilTec GmbH designs and manufactures aeration dryers for hydraulic power packs, gearboxes, storage tanks and drums & IBCs in Germany and is one of the most important suppliers in this niche market.

We are expanding our team and are looking for a dedicated team player - full or part time in the UK to help us build and maintain local customer relationships.

Your profile.

You are a passionate salesperson and good at selling technical products as well as products that require explanation. You bring a high degree of communication skills, negotiation skills and initiative and are eager to represent our company in your sales area in the best possible way. Occasional business trips within your sales area are no problem for you.

The tasks.

- Establishing and maintaining customer relationships in the UK
- Consulting and sales of products and special solutions
- Responsibility for achieving sales targets and increasing turnover

Of course, you will receive comprehensive training and support from experienced colleagues. You can expect an exciting and varied job, an attractive salary and a pleasant working atmosphere with a highly motivated team.

Interested? Then we look forward to receiving your **curriculum vitae** to info@gf-dry.com; contact person: Mr. Heinrich Laas.
