

PRODUCTION & SHIPPING ASSISTANT (M/F/D).

Flexible on an hourly basis

GIEBEL FilTec Inc. designs and produces aeration dryers for hydraulic units, gearboxes, storage tanks and drums & IBCs in Germany and is one of the most important suppliers in this niche market.

In order to strengthen our international activities, we are establishing a branch office in Atlanta and are looking for a Production & Shipping Assistant - on an hourly basis.

YOUR PROFILE.

You have skills and sensitivity for assembly work, work reliably on the tasks assigned to you, enjoy technical products and want to get started with us on the American market.

YOUR TASKS.

- Assembly of adsorbers according to parts list (gluing, filling)
- Assembly of modules
- Packing finished products
- Monitoring shipping orders

Are you interested? Then we look forward to **receiving your application with a short CV to hl@gf-dry.com**, Contact person: Mr. Heinrich Laas
