

SALES MANAGER / BRANCH MANAGER

(M/F/D).

Full-time

GIEBEL FilTec Inc. designs and produces aeration dryers for hydraulic units, gearboxes, storage tanks and drums & IBCs in Germany and is one of the most important suppliers in this niche market.

In order to strengthen our international activities, we are setting up a branch in Atlanta and are looking for a Sales Manager USA with responsibility for building up the company as Branch Manager..

YOUR PROFILE.

Your greatest strength is motivating and leading employees. You have at least 3 years of management experience, as well as sound commercial knowledge and experience to efficiently manage the financial aspects of the branch and ensure commercial viability. A strategic way of thinking and a hands-on mentality are a matter of course for you in order to actively contribute to the optimization of the work organization and the implementation of tasks.

YOUR TASKS.

- Professional leadership of the Atlanta team
- Planning and organization of branch office targets based on the planned budget
- Managing and directing personnel, costs, budget, quality and risks to ensure a stable and safe environment in our branch - including responsibility for the branch's human resources, hiring, firing, staff development and people strategy.

Are you interested? Then we look forward to **receiving your application with a short CV to hl@gf-dry.com**, Contact person: Mr. Heinrich Laas (Phone: (770) 884-1105).
